Purpose

The National Blue Ribbon Schools Program Recognizing Great American Schools Since 1982

The National Blue Ribbon Schools Program recognizes public and private elementary, middle, and high schools based on their overall academic excellence or their progress in closing achievement gaps among student subgroups. Every year the U. S. Department of Education seeks out and celebrates great American schools, schools demonstrating that all students can achieve to high levels. More than 7,500 of schools across the country have been presented with this coveted award. The National Blue Ribbon School award affirms the hard work of students, educators, families, and communities in creating safe and welcoming schools where students master challenging content. The National Blue Ribbon School flag gracing an entry or flying overhead is a widely recognized symbol of exemplary teaching and learning.
