**On Monday, May 21, 2018 the Parent Faculty Guild of the Academy of Saint Paul will be hosting its annual golf outing. This will mark the 6th year that the school families, parish members and business men and women from the local community come together for an afternoon of fun and competition. No matter what shape your game is in, you are always welcome. Come alone or bring as many friends or clients as you like. We hope to see you at the outing.**
