**What is a Trunk or Treat?** It's a Halloween event where people gather and park their cars in a large parking lot. They open their trunks or the backs of their vehicles, and decorate them. Then they pass out candy from their trunks.

**How do you make sure the kids stay safe?** Every family participating has to be pre-registered, and cars entering the parking lot are checked off by volunteers against the list of registrations. Volunteers will be posted at the ends of the driveways to make sure no cars enter from the parish center side or after the event starts.

Families should arrive at 3:30. All students and their siblings must report to the cafeteria until the event begins at 4:00 and will be checked against the preregistration list. Their parents can either park and decorate the trunk, or exit the ASP parking lot and park across the street at the church. For the safety of the students, only non-students can decorate the cars.

No cars are allowed to leave until the event is over at 5:30.

**Will it be fun?** Absolutely! There will be contests for costumes and trunks. Watching the children having a great time in a safe environment is the best enjoyment of all!
